April Newsletter 2024

Dear Parent,

Greetings from Epistemo!

April at Epistemo was full of enriching activities and memorable moments. We celebrated Ugadi, engaged in a fun Significant Figures activity, and had a successful Open House. Students also learned the essential skill of notebook covering and parents participated in a valuable orientation session.

We also had a joyous Easter celebration, explored outer space in a Moon Safari, and learned about environmental awareness on Earth Day. The IDE Bootcamp for Innovation and Entrepreneurship was a great success, as was the Woxsen University Campus Tour and Design Workshop. We also had an interactive session on Financial Literacy, empowering our students.

In addition, we celebrated International Children's Book Day, promoting the love for reading and storytelling among our students.

Thank you for your continued support in making these events successful and fostering a thriving community at Epistemo.

Warm Regards,
Epistemo

Important School Events

Ugadi Celebration

Ugadi celebration at Epistemo Vikas Leadership School!

Epistemo's Ugadi celebration was a joyous affair filled with cultural immersion and delectable flavors! Our little ones from Nursery to Grade 2 had the opportunity to taste the traditional Ugadi Pachadi, experiencing the harmonious blend of sweet, sour, tangy, and bitter flavors symbolizing the various facets of life. ✨🌿

The event was not just about savoring the delicious dish but also about understanding the deeper significance of Ugadi across different states. Our dedicated teachers enlightened the children about the rich cultural heritage associated with Ugadi and its importance in welcoming the New year.

Significant Figures

Follow me loop Activity

Grade 7 CIE students successfully engaged in a classroom activity centered around a "follow me" loop, where they applied significant rules of numbers. This activity was thoroughly enjoyed by the students as they actively participated in learning.

Important School Events

Open House

Our Open House was a resounding success, and the joy on our students' faces says it all! From engaging math adventures to colorful art projects, every moment was filled with excitement and learning. It's heartwarming to witness our young learners actively enjoying their educational journey.

Important School Events

Notebook Covering Activity: Essential Skill for Students

As part of their life skills curriculum, students ranging from grade 3 to 9 received detailed instruction on the significance and techniques involved in effectively covering their notebooks. This practical skill was emphasized to ensure their materials were protected and organized throughout the school year.

Important School Events

Parent orientation

The parent orientation session for the academic year 2024-25 took place on Saturday, April 6th, with a focus on "Beyond Academics," highlighting the array of activities planned for the year. This session outlined the roadmap for clubs, sports, work education, life skills, and other extracurriculars, offering parents insight into the programs available and what to anticipate throughout the year. Many parents eagerly participated in the ensuing discussion, showcasing their enthusiasm and interest in their children's holistic development.

Easter celebration

Every year, Easter is celebrated in France in a very special way. The children love this festival because they get lots of chocolates of different flavours in egg shape and they paint the boiled eggs with food colours and gift each other. The garden gates of presidents house is open for the children to fetch the chocolate bags hung on trees. This is why the children love this festival.

Moon Safari

On April 16th, students from grades 2 to 6 gathered for an enchanting telescope event, marveling at the moon's craters in a magical evening under the stars. The night continued with a lively pajama party, where popcorn, lemonade, and endless tunes set the stage for an unforgettable celebration beneath the moon's gentle glow.

Earth Day

The Earth Day celebration at Epistemo was an enriching experience for students in Grades 1 through 8. Through engaging activities and discussions, they learned about the importance of environmental conservation and their role in protecting our planet. From planting trees to exploring eco-friendly practices, students gained valuable insights into sustainability and the need for collective action to preserve our Earth.

IDE Bootcamp for Innovation and Entrepreneurship

Ms. Kavita and Ms. Manasi from Epistemo Vikas Leadership School attended the IDE Bootcamp at Vardhaman College of Engineering in Hyderabad on April 4th and 5th, 2024. Supported by industry bodies like AICTE, MIC, MOE, SIC, and knowledge partner Wadhvani Foundation, the event aimed to foster innovation, design, and entrepreneurship skills. Attendees explored new ideas and networking opportunities, igniting creativity and collaboration.

Important School Events

Woxsen University Campus Tour and Design Workshop

Exciting day at Epistemo Vikas leadership school as students from grades 9, 10, and 11 embarked on a thrilling campus tour at Woxsen University! 🏢👜 As a part of tour, they delved into the vibrant atmosphere of Woxsen, witnessing the creativity and innovation of university students firsthand. Stay tuned for more insights and highlights from this enriching experience!

Interactive session on Financial Literacy

Our Grades IX, X & XI students had an eye-opening session on Financial Literacy today!

Dr. Krunal Purohit, Program Director BBA at Woxen University, delved into Fintech, investments, finance portals and online payment modes like Paytm, GPay, and PhonePe. His engaging presentation included insightful case studies, making the topic come alive for everyone.

📚 The interactive session wasn't just about theory; Aditya, a Year 2 student organized engaging activities and case studies, making learning truly immersive and exciting.

💰 With a focus on practical insights and real-life examples, all participants realized the profound impact financial literacy can have on our personal growth and success.
