September & October Newsletter

2024

Dear Parent,

Greetings from Epistemo!

September and October were filled with exciting events at Epistemo! We're thrilled to announce that four of our teams reached the Top 500 in Youth Ideathon 2024 and are now competing for a coveted spot in the Top 100. Their dedication and innovation make us incredibly proud!

In September, Grade 4's assembly brought our theme of Integrity to life with a musical drama, classical dance, and heartfelt song honoring teachers. Grade 1's Teachers' Day assembly was equally impressive, with Aadya's graceful dance and Heyan leading the pledge. Pre-Primary students celebrated Crazy Hairdo Day with creative hairstyles, and the Open House allowed families to explore learning stations and engage with teachers.

October was equally memorable! Pre-Primary students celebrated Dussehra with a vibrant Bathukamma floral display and a captivating puppet show on Mahishasura Mardini. The Study in India University Fair offered students and parents valuable guidance from top Indian universities. Our Scouts and Guides Camp provided hands-on leadership and teamwork activities.

Grades 6–10 embarked on an unforgettable excursion, exploring Delhi, Agra, Vrindavan, and Amritsar. They admired the Taj Mahal's beauty and experienced the Wagah-Attari border ceremony, gaining a rich blend of cultural and historical knowledge.

Thank you for your continued support in making these months memorable!

Warm Regards,
Epistemo

National Success for Epistemo's Robotics Team!

We are thrilled to announce that our talented students—Shri Prajwal Reddy Tupili, Nikhil Chandra Maddhi, and Avyukth Maddi—have achieved remarkable success on the national stage! Representing us at the World Robot Olympiad National Championship 2024 in Ahmedabad, they secured an impressive 2nd position across India and have now qualified for the prestigious International Olympiad!

Their project, an innovative sensor-based stormwater drainage system, is a brilliant solution to tackle water clogging in urban areas during heavy rains. This practical, efficient, and cost-effective system addresses one of the most pressing challenges faced by modern cities.

We are incredibly proud of their dedication, ingenuity, and passion, and we wish them the very best as they gear up to represent India on the global stage!

Let's come together to cheer them on and send our best wishes for their continued success!

Diwali Celebrations Spark Joy and Creativity at Epistemo!

Tiny fingers dipped in colors, concentrated faces bent over diyas, and proud smiles showing off handmade paper lanterns - our Diwali celebration was filled with these precious moments today!

The classroom buzzed with excitement as our PP2 students took the lead in sharing the beautiful significance of Diwali with their younger friends from PPI and Nursery. Watching our little ones become teachers themselves, explaining family traditions and festival stories, made this celebration even more special!

✨ Celebrating Integrity With Grade 4! ✨

In line with September's theme of Integrity, the talented students of Grade 4 presented a vibrant and inspiring assembly titled "Integrity - Doing the Right Thing." The event was a beautiful showcase of their enthusiasm and creativity, reflecting the core value of integrity in every performance.

The day began on a reflective note with a heartfelt prayer, pledge, and thought of the day, setting a meaningful tone for the assembly. A graceful classical dance performance left the audience captivated by the poise and elegance of our young dancer.

A standout moment was the musical drama, where Grade 4 brought the concept of integrity to life through energetic and creative performances. The audience was further treated to a lively dance and a touching group song, "Shukriya," as a heartfelt tribute to teachers.

The assembly wrapped up with the entire school standing united for the National Anthem, a powerful reminder of our shared values and collective pride.

This event truly celebrated the dedication, talent, and spirit of our students and staff, making it a memorable experience for all!

Important School Events

Grade 1 Assembly

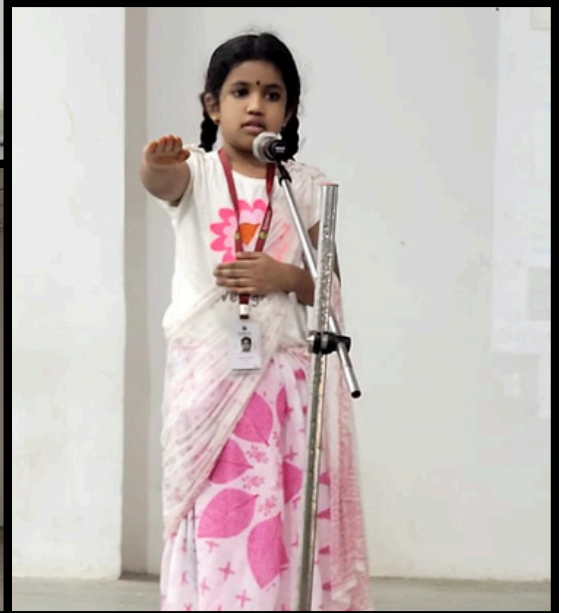

Grade 1 conducted a heartfelt assembly on Teachers' Day, expressing their gratitude to teachers. Nitya confidently hosted the event, while Aadya mesmerized everyone with her classical dance performance. Heyan proudly led the pledge, showcasing his confidence. The children performed with such poise and enthusiasm, making it a memorable and delightful celebration!

Important School Events

Grade 2's Assembly on Gratitude and Girl Power

The event featured a beautiful Kuchipudi dance by Gaanavi, an inspiring pledge led by Deethya, and a powerful skit on Girl Power performed by the students, which delivered an eye-opening message. The assembly was skillfully hosted by Achyuta and Aadya, making it a truly memorable experience for all.

🌟 Grade 4 Assembly on Gratitude 🌟

"Gratitude turns what we have into enough."

This morning, our students of grade 4 came together for an inspiring assembly on the power of gratitude. Led by our students of 4, the event started with a heartwarming prayer, setting the tone for positivity and reflection.

From the motivational Thought of the Day, "The more you practice the art of thankfulness, the more you have to be thankful for," to the insightful student speech on recognizing and appreciating life's blessings, the message was clear—gratitude isn't just about saying "thank you," but about acknowledging the abundance in our lives, no matter how big or small.

The assembly also featured a beautiful classical song and an enchanting classical dance performance, both of which added joy and energy to the morning. The highlight was a touching skit that told the story of a wealthy boy who learned the value of gratitude from a humble farmer -Happiness isn't about how much we have but how much we appreciate.

We concluded with a heartfelt group song and dance, reinforcing the theme of gratitude. A big thank you to everyone who participated and made this morning special!

Let's all carry the spirit of gratitude in our hearts as we go about our day! ❤️🌟

Study in India University Fair Sparks Excitement at Epistemo Vikas Leadership School

Study in India University Fair at Epistemo Vikas Leadership School Sees High Enthusiasm from Students and Parents, Hyderabad, 15th October 2024 -

The Study in India University Fair organized by Epistemo Vikas Leadership School witnessed enthusiastic participation from both students and parents. This event, hosted as part of the school's Career Design Lab initiative, featured over 60 of India's top private universities, providing a wide range of academic opportunities for prospective students.

Among the prominent universities that participated were Ashoka University, Mahindra University, VIT, SRM, Shiv Nadar, GD Goenka, Krea University, Ahmedabad University, Christ University, ICFAI, and BITS, to name a few. The universities showcased a variety of major and minor subject combinations, international collaborations, and scholarship and financial aid options, giving students a holistic overview of the educational landscape.

Students from Epistemo Vikas Leadership School and Vikas Concept School engaged enthusiastically with university representatives, learning about diverse academic fields and identifying courses that matched their personal interests and future aspirations. Many students were particularly excited to explore summer programs offered by these universities, which would provide them with invaluable exposure to new learning environments and global opportunities during their school breaks.

Parents were equally involved, discussing various academic pathways and financial support options with university officials, ensuring they had the necessary information to help guide their child's future. The fair not only provided students with insight into potential career paths but also gave families confidence in navigating the higher education process in India.

The Study in India University Fair at Epistemo Vikas Leadership School was formally inaugurated by Principal Padma Kolli, Vice Principal Marri Vani, and Head of Counselling Rajatha in a traditional ceremony by lighting the lamp. In her opening remarks, Principal Padma Kolli motivated students to make the most of this unique opportunity to gain valuable insights into various courses and career paths offered by the participating universities.

The event was a significant success, offering students and parents a platform to make informed choices about academic programs and discover emerging areas of study that align with their career goals.

Crazy Hairdo Day at Epistemo

Our Pre-Primary stars rocked some truly wild and creative hairstyles today, turning our classrooms into a carnival of creativity! From gravity-defying spikes to rainbow-coloured braids, our little ones brought their A-game.

But wait, there's more! Our teachers also joined in on the fun, sporting some seriously silly 'dos. Talk about leading by example! 😄

Seeing the excitement on everyone's faces as they showed off their unique styles was heartwarming. Crazy Hairdo Day isn't just about looking wild - it's about self-expression, creativity, and having a blast while learning!

Important School Events

Open House

What a day at Epistemo's Pre-Primary Open House! The excitement was palpable as families explored our interactive learning stations. We saw children's eyes light up while showing off their work, and parents beaming with pride at every turn. Witnessing so many engaged conversations between families and teachers was heartwarming, all centered around our students' growth was heartwarming.

Joyful Dussehra Celebrations with Pre-Primary at Epistemo!

Dussehra celebrations with our Pre-Primary students were full of excitement and joy. The children enjoyed the Bathukamma activity, creating beautiful floral arrangements with great enthusiasm. They also listened to the story of Mahishasura Mardini during the puppet show with so much interest, truly captivated by the triumph of good over evil.

Important School Events

Memorable School Excursion!

From October 3rd to 8th, students from grades 6 to 10 went on an exciting school excursion to Delhi, Agra, Vrindavan, Amritsar, and the Wagah-Attari border. They visited landmarks such as the Taj Mahal, Golden Temple, Agra Fort, and Qutab Minar, combining history, culture, and spirituality. The trip offered valuable learning experiences, from Mughal architecture to Sikh traditions. Witnessing the border ceremony was a patriotic highlight. Traveling by bus, students bonded and created lasting memories while deepening their knowledge of India's heritage.

SCOUTS AND GUIDES CAMP - 2024

Scouts and Guides Camp at Epistemo Vikas Leadership School (October 19-20, 2024)

The Scouts and Guides Camp at Epistemo Vikas Leadership School, held on October 19-20, 2024, provided students with a blend of foundational skills and adventure. Day 1 began with opening and scarf ceremonies, grounding students in values of respect, responsibility, and community spirit. The day included yoga, stretching, dance, and exercise sessions, enhancing students' focus, flexibility, and coordination. Precision and teamwork exercises like salutes, marching, and formations reinforced discipline and unity. Day 2 continued with energizing yoga and warm-ups, followed by engaging activities such as tent-pitching, tire crawling, ladder climbing, and rope climbing, where students developed agility, strength, and creativity. These activities built essential skills and a spirit of camaraderie, preparing them for future Scouts and Guides challenges.

Future Insights: Preparing Epistemo Students for Tomorrow's Careers

Epistemo Vikas Leadership School had the privilege of hosting Ms. Alison Urban from Immerse Education! 🎓 She engaged our Grades 10 & 11 students in an insightful session, Future Insights - Preparing for Jobs of Tomorrow. 🌐🌟

Ms. Urban highlighted the essential role of adaptability, problem-solving, emotional intelligence, and creativity in the evolving career landscape. She explained how technological, environmental, and societal shifts are redefining the future job market, urging students to develop the skills needed for emerging roles and courses. 🚀

An inspiring and interactive session that left students excited and ready to embrace the future!
