# July Newsletter 2025

Dear Parents,

Warm Greetings from Epistemo!

We are thrilled to share that July was a month filled with achievements, joyful celebrations, and meaningful learning experiences at Epistemo Vikas Leadership School. Our Under-13 Football Team secured the Runners-up position at the 8th Championship 5A Side Football Tournament held in Bolarum, with a special mention to Arjun, who was awarded Best Defender. The Under-9 Football Team went on to win the championship, making the entire school proud. Our talented Music Band also shone at the prestigious IMPULSE interschool music competition hosted by The Meridian School, securing 3rd place among 40 participating schools—an inspiring performance of passion and teamwork! Meanwhile, Grade 5A and 5B students delivered heartwarming assemblies on the theme of Gratitude, featuring classical dance, skits, songs, and a colorful Bonalu celebration. These performances beautifully promoted the values of kindness, appreciation, and cultural pride. Grade 10C impressed everyone with their witty courtroom skit "Karma Strikes Back", while 10A reminded us all that "Respect Begins with Me" through a touching assembly and pledge.

Our senior students of Grade 12 welcomed the new Grade 11 batch with a cheerful and entertaining Freshers' Day celebration. Dance, games, and the crowning of Mr. and Ms. Fresher made it a day to remember. Our commitment to student well-being continued with a sensitization session on Good Touch and Bad Touch for Grades 4 and 5. Through relatable discussions and interactive storytelling, learners were empowered to understand boundaries and stay safe. In a strong step toward sustainability, Vanmahotsav 2025 was celebrated with enthusiasm and eco-conscious creativity. From nursery children dressing as nature elements to senior students performing street plays on forest conservation, the celebration reflected a deep connection with nature. Pre-primary learners also enjoyed a culturally rich Bonalu celebration and a joyful Potluck, fostering community bonds with parents and teachers. Meanwhile, Grade 3 students had an exciting field trip to an Apiculture Unit, where they explored beekeeping, honey production, and eco-awareness in action. Our Grade 1 and 2 students had a "cool" time at Masqati Ice Cream, learning the journey of milk through a live demo and ending with a sweet ice cream treat. Each of these events—academic, cultural, or exploratory—echoed our mission to nurture confident, curious, and compassionate learners.

Warm Regards,

Epistemo

## Epistemo's Pride

### Epistemo Vikas Leadership School Excels at "8th Championship 5A Side" Football Tournament!

We are delighted to share that Epistemo Vikas Leadership School achieved outstanding success at the 8th Championship 5A Side Football Tournament, held on 6th July 2025 at Bolarum. Our Under-13 Football Team secured the Runners-up position, showcasing excellent skill, teamwork, and sportsmanship. A special shout-out to Arjun, who was recognised as the best defender for his stellar performance throughout the tournament. Adding to the celebration, our Under-9 Football Team emerged Champions, clinching the First Position with a dominating and spirited display on the field. Congratulations to both teams and their dedicated coaches for their hard work, determination, and remarkable achievement. You have truly made Epistemo Vikas Leadership School proud!

### Epistemo Vikas Leadership School Secures 3rd Place at IMPULSE Music Competition

We are delighted to share that the Epistemo Vikas Leadership School Music Band secured 3rd place at the prestigious IMPULSE interschool music competition, hosted by The Meridian School. Competing against 40 schools, our talented students captivated the audience and judges with their powerful performance, musical coordination, and stage presence. Congratulations to our young musicians for their hard work and for making the school proud with this remarkable achievement!

## Hearts Full of Thanks: 5A's Assembly on Gratitude

Grade 5A students stole the spotlight with a heartwarming assembly centered on the theme of Gratitude. From a graceful classical dance to a meaningful skit that reminded us to cherish life's simple joys, their performances were both creative and thought-provoking. The assembly wrapped up with a powerful message – encouraging everyone to embrace gratitude and spread kindness wherever they go. In a proud moment of recognition, we celebrated the achievements of our talented learners – from Olympiads to sports and beyond! Their dedication, perseverance, and passion have truly shone through, and we couldn't be prouder of their accomplishments. Here's to many more milestones and continued success in the journey ahead! It was truly inspiring to see our young leaders take charge in promoting such a beautiful value!

## 5B Shines Bright: A Tribute to Gratitude and Tradition

On July 9th, 2025, the students of Grade 5B lit up the stage with a heartwarming and vibrant assembly centered on the Value of the Month: Gratitude. From heartfelt speeches and a pledge to melodious songs and graceful dance performances, our young learners beautifully expressed how gratitude can be shown to parents, teachers, nature, and friends. 🍀🎵 Adding a rich cultural touch, the students also brought alive the spirit of the Bonalu festival – a tribute to tradition and devotion – through a dynamic, colorful dance that left everyone spellbound. It was an inspiring morning that blended values, creativity, and culture – leaving the entire school community uplifted and grateful. 🙏✨ In a proud moment of recognition, we celebrated the achievements of our talented learners – from Olympiads to sports and beyond! 🏆✨ Their dedication, perseverance, and passion have truly shone through, and we couldn't be prouder of their accomplishments.

## Well-being Session on Personal Safety for Grades 4 & 5

At Epistemo, fostering emotional and physical well-being is a priority—especially during the formative years. A dedicated session was conducted for our Grade 4 and 5 learners to raise awareness on the crucial topic of Good Touch and Bad Touch. In an age-appropriate and respectful manner, the session aimed to:

- ◆ Help children understand the difference between safe and unsafe touch
- ◆ Empower them to trust their feelings and speak up
- ◆ Encourage open conversations without fear or hesitation
- ◆ Reinforce the importance of seeking help from trusted adults

Through this interactive session on relatable scenarios, and guided discussions, our learners were sensitized about personal boundaries and safety. This initiative is a part of our ongoing effort to nurture confident, aware, and emotionally secure individuals. Because knowing how to protect yourself is just as important as learning anything else.

## Justice for Respect: 10C's Bold Take on Values

Grade 10C delivered an impactful and thought-provoking assembly on the theme of Respect, flawlessly combining tradition, reflection, and invention. The highlight was a dramatic courtroom comedy titled "Karma Strikes Back," in which Respect took Disrespect to trial and Karma delivered the last blow. The students reminded us that respect is more than just good manners; it is also about intention, empathy, and the ideals we bring to every contact. The message persisted long after the applause: everything we give to the world eventually comes back to us.

# Important School Events

## Rooted in Respect: A Promise from 10A

Grade 10A presented a thoughtful assembly on the theme "Respect Begins with Me." The program opened with a creative skit featuring a "Mirror of Respect," showing that true respect starts from within. Students shared inspiring quotes highlighting kindness, empathy, and the power of listening. A vibrant group dance followed, symbolizing respect through unity and coordination. The audience then took a Respect Pledge, promising to treat everyone with kindness and value. The program concluded with a heartfelt message encouraging all to make respect a part of everyday school life.

## Freshers' Day Celebration - A Warm Welcome to Grade 11!

Grade 12 students organized a fun-filled and heartwarming Freshers' Day to welcome the new Grade 11 batch. The event was a perfect mix of energy, laughter, and talent!

The celebration featured vibrant dance performances, engaging games, and cheerful bonding moments. Grade 11 students participated enthusiastically, making the event truly memorable.

The highlight of the day was the Mr. and Ms. Fresher titles, awarded to students who impressed with their confidence and charm.

## Rooted in Responsibility: Vanmahotsav 2025 at Epistemo

At Epistemo Vikas Leadership School, Vanmahotsav 2025 was celebrated with joy, creativity, and a strong message of environmental responsibility. The festival served as a powerful reminder of the importance of preserving nature and inspired students to become eco-conscious citizens. Our youngest learners dressed up as elements of nature—trees, butterflies, flowers, and gardeners—expressing their love for the environment through short, lively presentations. Primary students brought nature-themed poems and songs to life through energetic performances, while middle graders created imaginative posters and collages depicting dream trees and sustainable ideas using natural and recycled materials. Older students engaged in model-making on forest-related themes and delivered powerful speeches on forest conservation and sustainability, and the senior-most learners took their message to the stage through thought-provoking street plays, emphasizing the urgent need to protect our forests. From creativity to critical thinking, every activity reflected our learners' growing connection with nature, making Vanmahotsav at Epistemo not just a celebration but a step forward in building a greener and more responsible future.

## Together at the Table: A Pre-Primary Potluck Celebration

The pre-primary potluck held in July was successfully executed with strong parent participation. Mothers contributed homemade dishes and engaged in productive networking opportunities with fellow parents and teaching staff.

The event facilitated meaningful parent-teacher interactions and served as an effective community-building initiative. Children participated in organized activities including dancing and games, contributing to a positive atmosphere.

## Tiny Steps into Tradition: Bonalu in Pre-Primary

Our pre-primary students celebrated Bonalu in July through hands-on cultural learning activities. Students learned traditional bonam preparation and explored the festival's significance, including its connection to Goddess Mahakali.

The program combined practical skills with cultural education, allowing children to create their own bonam art while gaining appreciation for Telugu heritage. This initiative successfully integrated traditional learning with creative expression for our young learners.

## 🐝 A Buzzing Adventure for Grade 3! 🍯

Our curious Grade 3 explorers had an exciting field trip to an Apiculture Unit, diving into the fascinating world of bees and honey-making! 🐝🌻 They observed live hives 🐝, met the queen bee 👑, and learned about the life cycle of bees, pollination, and the honey extraction process. The students were thrilled to see how nectar turns into the golden goodness we love! 🍯 From beeswax candles to honey chocolates and lip balms - they also discovered some amazing value-added products! This hands-on learning experience not only made science come alive but also highlighted the crucial role bees play in keeping our ecosystem healthy 🌍🌟

## A Scoop of Learning at Masqati Ice Cream!

### Grade 1 & 2 Field Trip

Our Grade 1 and 2 students recently enjoyed a deliciously educational field trip to Masqati Ice Cream! The visit offered a first-hand look at the fascinating journey of milk—from its raw form to delightful products like paneer, curd, and ice cream.

Children watched in awe as machines transformed milk through various stages, and the process came alive with real-time demonstrations. The highlight of the day, of course, was tasting their favorite ice creams after learning how they were made! This experiential learning opportunity not only enriched their understanding of food processing but also sparked curiosity and excitement about how everyday items are created. Real learning, real fun—and a treat to remember! Please find the picture link below

## E-Mun 6.0

Epistemo's Model United Nations (EMUN) is a platform where students from various schools step into the shoes of UN delegates, representing various nations and engaging in debates on pressing international matters.

This year's EMUN saw an impressive participation of 380+ delegates from 18 different schools, making it a truly vibrant and intellectually charged event. Our students made us proud by securing top honors across multiple committees:

**Amolika Singh (Grade 11 MEC) - Best Delegate, United Nations Security Council (UNSC)**

**Aarav Mehta (Grade 9) - Best Delegate, World Health Assembly (WHA)**

**Aditya Varma (Grade 11 MEC) - High Commendation, JCC Communist Cabinet**

**Ruthvik Patel (Grade 10) - High Commendation, JCC Capitalist Cabinet**

**Neha Velamuri (Grade 11) - High Commendation, International Press - Photography**
