# June Newsletter 2025

Dear Parents,

Warm Greetings from Epistemo!

June at Epistemo Vikas Leadership School was a month of remarkable student achievements and vibrant events that showcased our learners' diverse talents. From Pranika Sagar Uparkar of Grade 5 gracing the JFW SS '25 Campaign with Shruti Haasan and being invited as an Audition Guest for Junior Miss India 2025, to Shivani's mesmerizing Kuchipudi performance at Ravindra Bharati, our students shone brightly across platforms. We are also proud of our brilliant achievers who secured Gold Medals in the SOF International Cyber Olympiad and International Social Studies Olympiad, highlighting our commitment to academic excellence. The Literary Week brought the entire campus alive with creativity through story relays, poetry, mystery challenges, and a delightful Book Character Parade, rekindling the students' love for literature.

June also celebrated connection, wellness, and growth. Our Father's Day and International Yoga Day events created moments of togetherness as families and students embraced yoga and mindful bonding. The "IQ vs EQ" parenting session with Dr.Chethan provided valuable insights for holistic child development, while a career guidance session by Mr. C.K.N. Krishna inspired students to explore diverse career paths with confidence. Our energetic After School Academy Swimming Competition and stellar wins at the Hyderabad Youth Aquatic Phenomena made waves of success, reminding us that Epistemo students excel both in the classroom and beyond. Here's to a month filled with inspiration, accomplishment, and community spirit!

Warm Regards,  
Epistemo
